## Middle School Summer Reading 2015-2016

We are pleased to share the middle school summer reading lists for grades 5-8. The primary purpose for reading over the summer is to encourage and instill a lifelong love of reading over the summer months. We encourage all of our students to start early and take the time to find books that they will enjoy. Guidelines to follow over the summer include:

- Read a minimum of three books.
- Read steadily throughout the summer.
- Read many other books of your choice for pleasure, and make reading for 20-30 minutes a daily habit. On the attached reading log, please keep a list of all the books you read and the number of pages.
- Remember, there are **prizes** awarded at the beginning of the school year to all Middle School students who read **over 1,000 pages**.

Please note that students are expected to read a hard copy (or digital copy via iPad/Nook/Kindle) of the book. Audio versions may accompany a student's reading but are not to be used in place of the book. If you have any questions, please contact your child's English teacher.

Have a great summer and enjoy reading!
